EPO100CC® Matrix System

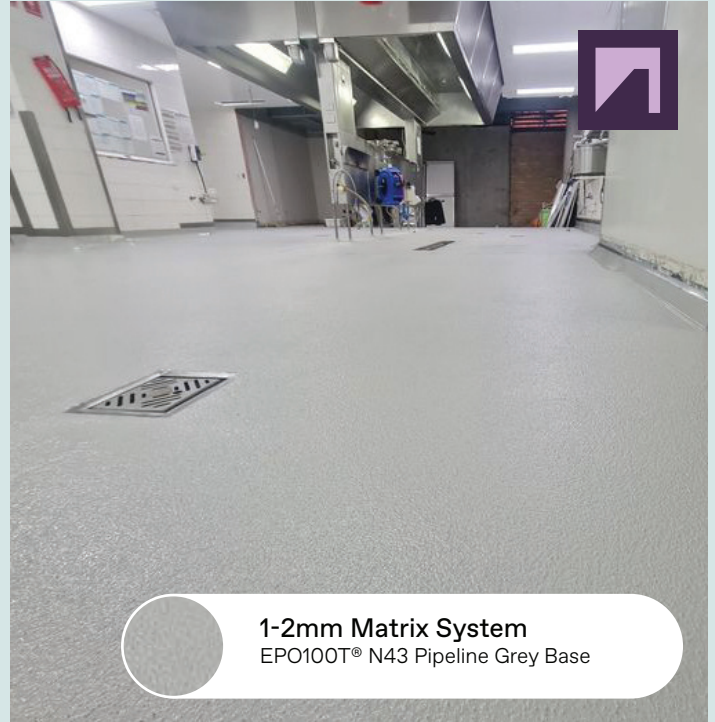

The All Purpose Coatings Epoxy Matrix System is designed as a high build, resin rich, epoxy coating system for commercial spaces.

Utilising APC resins, the Epoxy Matrix System is hygienic, hard wearing, slip and chemical resistant. When installed to specification, the system meets and exceeds all required Australian Standards.

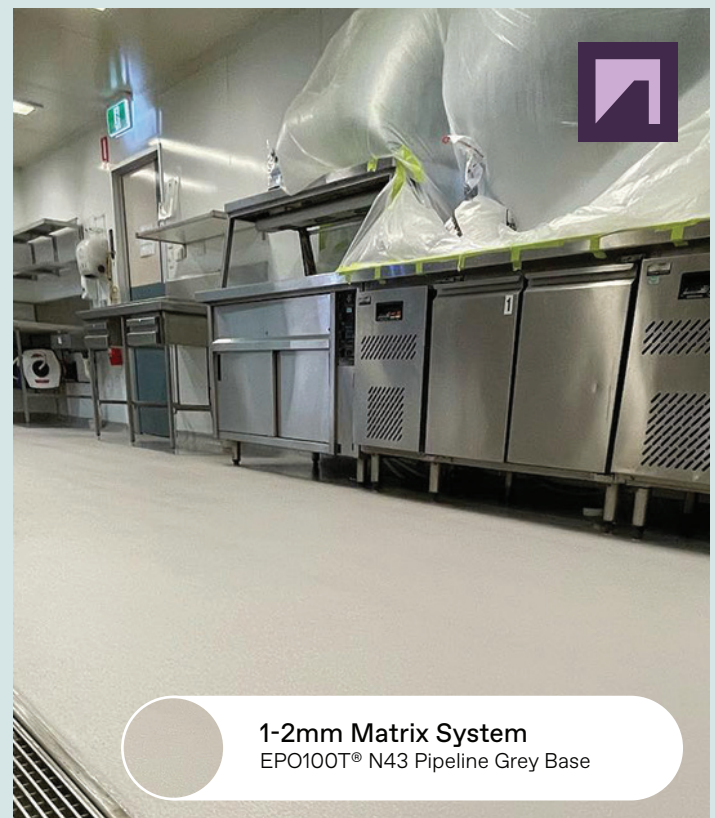

Epoxy Matrix Systems are used within commercial and industrial spaces including commercial kitchens, wet areas, abattoirs, food preparation and manufacturing areas as a long term floor and wall coating solution.
